

Help shape YoCo with MATT+FIONA

You're invited to take part in an online workshop to help create a community space in the Leeman Road area. Co-create the brief, design, build and finally use the space, ensuring it is a thriving community hub fit for purpose.

York Central Co-Owned Neighbourhood (or YoCo for short) is a community led initiative that aims to build homes for living, create spaces for sharing, places for work, wildlife, play and creativity, as a part of the York Central development:
