

Playing the Kazoo

How to play the kazoo...

1. Before picking up your kazoo, practice humming a simple song
2. Hold your kazoo between your thumb and first finger and put the shorter end of the kazoo in your mouth
3. Hum/sing into the kazoo
4. See how quietly and loudly you can play the kazoo
5. Have fun! :)

Kazoo Activities

Guess the song

Do you enjoy playing the mime game charades? Well this game is like charades but played on kazoos.

Number of people needed: Multiple

1. Choose who is going to play the kazoo first
2. The kazoo player secretly chooses a song and plays it on the kazoo
3. The other players have to guess what song is being played
4. Whoever correctly guesses the song will be the next kazoo player

What to do if you want a winner?

If you want to have an overall winner of the game then you can write down who guesses each song.

Don't play this one back

Number of people needed: Multiple

1. Either chose a leader or decide if you want to pass the job round the circle so everyone has a turn
2. Whoever is the leader plays a short rhythm on the kazoo
3. The other players copy the rhythm
4. However, if the leader plays the rhythm 'don't play this one back' then the other players should be silent and not copy the rhythm

Play Along with your favourite music

Number of people needed: One

1. Pick your favourite song
2. Have a go at playing along with the melody
3. You could even try and add some cool harmonies!
