YORK

COMING SOON TO YORK!

The Rugby League World Cup has been the pinnacle of international rugby league since 1954 and in 2021, for the first time, the men's, women's and wheelchair competitions will be staged in a single, celebratory event, culminating in an epic finals weekend to crown the champions of each. This is set to be an unmissable family event!

York's LNER Community Stadium will host 6 women's group games and both women's semi-finals. The city will also be the team base for New Zealand (men's) and Australia, New Zealand, France, Cook Islands (women's) teams.

York boasts excellent theatres, a wealth of pubs and many museums. There's plenty to explore for all the family, all built around well preserved medieval features such as the old city walls, York Minster, Cliffords Tower and The Shambles.

As a celebration of York staging 8 Women's Rugby League World Cup matches, enjoy colouring in a montage of icons from the 8 countries taking part in the women's tournament.
